

Submission Guide

1

Must be submitted via an official entry application online using the iAngler Tournament website or app.

2

Entry must contain:

A clear, colour, side-view photo of the fish on a flat surface, complete with a full view of the measuring device. Lure used must also be present in the photo (but not in the mouth) to be considered valid. Tail pinched, mouth closed, and from the snout to the tail.

3

Each entry requires the name and contact information of a witness to the catch.
