6. Token / Card

- a. Anglers will be given a token/card for each day of the tournaments. This token/card is very important to the angler, as it must be in the picture with your fish for the fish to count.
- b. An angler is responsible for this token/card from the moment it is assigned to them until they check out at the end of the day.
- c. No replacement token/cards will be available.

7. Photo:

All fish must be photographed on an approved Hawg Trough measuring device. You must use a smart phone or digital camera for the picture.

- a. Fish must be lying flat, facing left to right, with mouth closed in a natural resting position centered against the vertical portion of the Hawg Trough. The fish must appear in a natural state. The tail will be measured as it lies.
- b. A tournament supplied 1" wide Velcro band can be used to retain the fish on the hawg trough if it is used in a humane way that does not harm the fish.

- c. "Angler Assist" shall be allowed when handling large fish. Anglers may summon a nearby competitor for assistance in measuring and photographing the fish, to get a clear measurement and ensure the safety of the fish. The photo must be taken with the angler's own camera.
- d. Photo must be taken on the angler's vessel with the token/card clearly visible in every picture for it to count.
- e. Anglers are responsible for having pictures clear and visible for the judge's view. The judges and the tournament director have official say on a fish's length.
- f. Images may not be digitally altered or enhanced in any way.
- g. Anglers will have the convenience of using the iAngler App to turn in fish from their smart phone immediately after they catch it and up until 1pm. If an angler does not utilize this app, they must be prepared with an SD card and/or cord to plug the phone or camera in to a computer for submission. Expect to unlock cell phones that are used and to relinquish cell phones or cameras requiring cords for download until judging is complete
- h. Pictures of submitted fish should not be deleted off of the device until the tournament has concluded.

8. CPR Photo Criteria:

- a. All criteria must be met or the photo will not be scored.
- b. Show the whole fish, tip to tail (aside from your hand, the fish must be clear of any devices. Mouth/fins/tail cannot be obstructed in the photo).
- c. Lay the fish with the tip of the mouth at the beginning of the ruler.
- d. Measurement markings on the measuring board shall be clearly visible.
- e. An angler's assigned official token/card shall be visible.
- f. One overhead photo (taken from directly above, not at an angle).

9 . CPR Judging:

- a. The judge will round down to the closest .25" from where the tail lies.
- b. Judges have full discretion on open mouth and where the tail lies.
- c. If there is a questionable photo, judges can ask tournament director to make final ruling.
- d. An angler may submit as many legal fish as he can during the allotted hours.

10 . Ties:

- a. Any ties in total bag submissions will be broken by the single longest fish in each angler' bag of three bass.
- b. In the case that the single longest fish are tied then the second single longest fish will be used and so on.
- c. In the case that all three fish are identical length, then the earliest check - out time at the end of the day will break the tie. d . In the case of the Biggest Fish Side Pot, if two fish are of identical weight then the earliest check - out time at the end of the day will break the tie and win that event.
- d. Coin toss or split funds evenly if the tying check - out times are 1pm.

- e. Split the funds evenly if there are more than two ties.

11 . Safety:

- a. All anglers are to follow the laws specifically stated by U.S. Coast Guard and the local CDFW as well as the local Harbor Patrol.
