

Thank you for your consideration in sponsoring the Fairhope Fishing Team.

The Fairhope Fishing Team will be participating in various events where your sponsorship will be displayed for many potential customers. The Team will not only be fishing in local, regional and state competitions but also helping with local charity and conservation events. The Team is in its third year and has had more than 80 male and female middle and high school students that are fresh and salt-water enthusiasts. The Team has an Instagram page, a Website, a Twitter feed and a Facebook page that will promote your business.

Your sponsorship is necessary to help us purchase equipment, provide travel and registration money for tournament anglers and help with other team events.

We hope that you will consider helping our team in its endeavor to have a positive influence on our Natural Resources, and the lives of the people in our community, in addition to having "FUN" as fishermen and women.

If you have any suggestions that may help our Fishing Team be more successful, Please contact me at the email address below.
